

customer acquisition via mobile

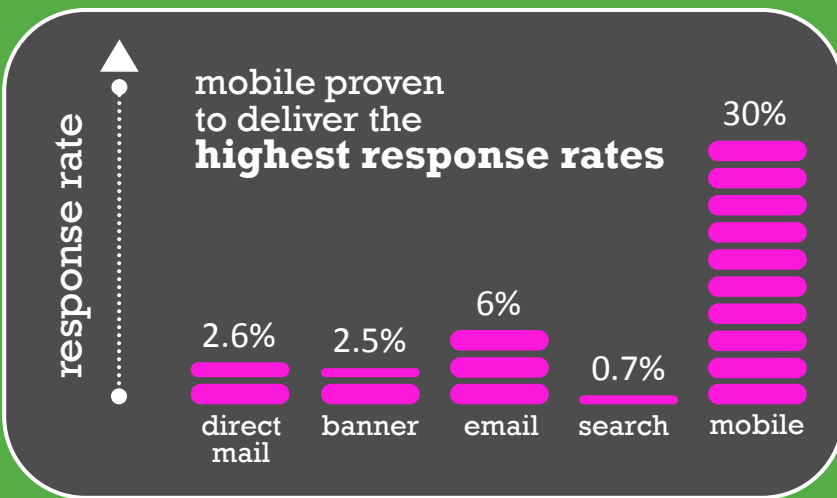

eBay reported **\$2 billion** in mobile commerce in 2010

Amazon reported more than **\$1 billion** in mobile orders in 2010

Domino's Pizza has seen **\$1 million** in sales via mobile since Sept 2010

"If you don't do anything else, get a mobile-enabled site. Between **10% to 15%** of all searches on Google's site are coming from mobile phones already."

Peter Fitzgerald,
Google's retail, technology & business markets director
